To Whom it May Concern:

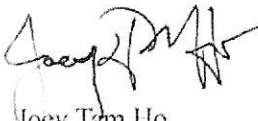

I take great pride in speaking on behalf of Mr. Wehiwa Aloy and his character . His work ethic inside and out of school has classified Wehiwa as a top performing individual. I've observed Wehiwa from a young age through recent years, watching him as his men's league coach and teacher in his building and construction courses.

As a student athlete Wehiwa displays qualities of sportsmanship, teamwork, and motivation on and off the baseball field. Wehiwa is dedicated to his sport with extra work in the weightroom throughout the pandemic, the gains I have seen within the year is proof of his grind and hustle. He is very receptive to instruction and makes the necessary corrections to be a better baseball player. Wehiwa focuses on the adjustments and works on it till he doesn't get it wrong.

In the classroom, Wehiwa collaborative conversation skills enable him to produce several amazing construction projects. His communication skills have made it easy for his classmates to work with him on any task given. As a student athlete, Wehiwa does really well at prioritizing his time with his classes. He will sometimes spend his breaks in the classroom to ensure that quality work is being submitted. His sacrifice to his work instead of hanging out with friends shows his level of maturity. This sacrifice as a student athlete has enabled Wehiwa to maintain a GPA above 3.0.

Wehiwa is a fine young man with many admirable qualities. I wish him all the best with all he pursues. I would highly recommend Wehiwa without hesitation for academic or athletic accolades. You may contact me if you have any questions/concerns or if you would like me to clarify any of Wehiwa's qualities.

Sincerely,
